

JOB TITLE: Maintenance technicians

Wage Category: Seasonal

Reports to: Maintenance Director

Salary: \$18-\$18.50/hour

Job description

Maintenance technicians at Wet 'n' Wild Toronto are responsible for the general upkeep and safety of our, buildings, utilities, infrastructure, and attractions on a daily basis. Some of the physical duties assigned to Maintenance Technicians are:

- Daily Preventative maintenance inspections of all attractions and key equipment.
- Monitoring, inspecting, performing predictive and reactive maintenance to filtration and water treatment equipment, pumping lift stations and building systems.
- Assisting with the implementation of new equipment and updating existing systems to meet the parks efficiency and lean goals.
- Repair and maintenance of the parks various, pneumatic, control, HVAC, electrical and plumbing systems. This position requires associates to document much of their work for compliance with various regulatory requirements as well as work in an "on call" capacity while on shift.

1.Applicants must be fluent in English and have excellent reading and writing skills.

2.Applicants must be able to communicate effectively through use of various systems such as, online notebooks, documentation databases, and two-way radio.

QUALIFICATIONS AND EDUCATION REQUIREMENTS

An ideal applicant will be enrolled or have been enrolled in a millwrighting or other industrial trade related program, engineering, or facility maintenance program. In addition to this an ideal applicant would also possess.

- G2 or G driver's license
- MOL Working at Heights Training
- Own Hand Tools

PREFERRED SKILLS

- Knowledge of use of hand and power tools
- Understanding of hardware and uses.
- Fiberglass/bodywork experience would be considered an asset.
- Knowledge of pneumatic, control and plumbing systems an asset.

Contract length: 4 months

Work hours: 30 - 40 per week

Expected start date: 2022-05-10

OTHER FUNCTIONS:

All other duties that are assigned or necessary to support the Operations Department and the park. While this job description is intended to be an accurate reflection of the requirements of the job, management reserves the right to add or remove duties when circumstances (e.g., emergencies, changes in workload, rush jobs, staff levels, or technical developments) arise.

PHYSICAL DEMANDS:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Must be able to sit and/stand/and walk for long periods of time throughout the day
- Requires occasional lifts and carries up to 60 pounds
- Requires occasional carries up to 100 pounds with the assistance of a two-wheel hand truck
- Requires manual and bi-manual dexterity, fine and gross motor skills, hand/eye coordination, near vision, hearing and speech
- Work environment: While performing the duties of this job, the employee is exposed to weather conditions prevalent at the time. This position requires occasional work in or around wetness, confined spaces-cramped quarters, heights, noise, detergents/chemicals, mechanical hazards, moving objects, fumes/odors, dust, mists, gases, or vibrations. The noise level is generally moderate.

EQUAL OPPORTUNITY EMPLOYER

Wet'n'Wild Toronto is an equal opportunity employer committed to providing accommodations for applicants upon request at any stage of the recruitment process in accordance with the Accessibility for Ontarians with Disabilities Act (AODA) and the Ontario Human Rights Code.

At Wet'n'Wild Toronto we appreciate all responses, however, only those qualified will be selected for an interview at this time.
